The West Side Community Garden, located between 89 and 90 Sts and Amsterdam and Columbus Avenues, is maintained by its members. There is no paid staff. The requirements for membership are yearly dues AND 4 hours of work per month (on average) for the year, so check the items that you can and will do. Most tasks are ongoing; a few are intermittent or annual. A committee liaison will follow up for orientation. Call your committee once a month to find out what is needed. Thank you for your partnership.
